## EXPERIENCE

### Husky Creative Designer

September 2018 – Present

Seattle, WA

Collaborate with a creative marketing team to design for a variety of clients. Designing illustrations, logos, and websites with clear communication to ensure strong deliverables.

### Elias Design

Freelancer

August 2012 – Present

Seattle, WA

Work closely with multiple clients on designing mobile and desktop websites, app icons, posters, and brand identities. Ensure strong lines of communication to allow quick iteration on possible concepts. Clients range from iOS and Web Developers to local students and startups.

### Waterski + Wakeboard at UW

President & Founder

December 2016 – October 2018

Seattle, WA

Established trust with coaches and sponsors to acquire access to boats and equipment for practice and events.

Collaborated with club officers and advisers to establish official registered student organization status. Responsible for organizing social events, information sessions, and waterskiing practice for club members.

### Camp Timberlane for Boys

Co-Director of Waterskiing, Senior Counselor

June 2015 – August 2017

Woodruff, WI

Developed strong communication skills coordinating with a team of three co-counselors to create a compassionate cabin dynamic during two four-week sessions at a traditional boys overnight camp.

Managed and organized a team of twenty staff devoted to driving and instructing the waterski program. Ensured that four boats were operated safely and efficiently in order to provide approximately 100 campers per day adequate time to ski and develop their abilities.
